Chapter 1 by Loghan.B

It all started 5 years ago at a jail in Texas. The prisoner Ron Crawly had become very ill. The prison doctors could not find out what was wrong with Ron. Then one day when a officer gave him breakfeast Ron lunged grabbing the officers arm and started to bite it. That started a chain recation. 3 hours later the entire prison was infected. There was only 2 survivors but during a interview they lashed out infecting hundreds of people. Then it started to spread into Mexico and the rest of the U.S then into Canada across borders into Africa and Asia.

But I survived.
